THE CONFERENCE

The 27th edition of the Canadian Congress of Applied Mechanics (CANCAM) will be held in Sherbrooke, Québec at **Université de Sherbrooke**. This event provides a unique opportunity to disseminate the last results in all domains related to mechanical engineering. It also facilitates networking, among universities, industries, research centers, government agencies and enables students to present their results to experts.

PAPER SUBMISSION

Original papers are sought on **all topics of mechanical engineering concerns**. Submit papers to the regular conference or to dedicated workshops for consideration. Papers submitted for presentation at the conference will be refereed and selected based on a full paper. Accepted papers will be scheduled for presentation and appear in volume 3 of *Progress in Canadian Mechanics* (ebook with ISBN number).
